### **Junior League of Spokane Awards Book Grants to Five Local Schools & the YWCA**

Spokane, WA – For a second year the Junior League of Spokane has awarded book grants to local schools and non-profit organizations. This year the League awarded \$2,000 and 700 books to the following: Sheridan Elementary, Logan Elementary, Bemiss Elementary, Regal Elementary, Dishman Hills High School and the Young Women's Christian Association (YWCA) Early Childhood Education Assistance Program (ECEAP).

“Logan Elementary students will be so excited to get books they can just keep and enjoy —and trade with each other. We appreciate your donation, and please know it will go to a very worthy cause — our students! (We certainly think they are something special!)” - Kelly Petty, Literacy Coach at Logan Elementary

Detailed organization history:

The Junior League of Spokane is part of the Association of Junior Leagues International (AJLI), which is comprised of 293 leagues across the US, Canada, and Mexico. The Junior League of Spokane believes in empowering women by promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. The League’s current focus is improving childhood literacy rates in the Spokane area.
